## Draw The Line by Aerosmith

## Fill in the gaps

| Checkmate honey, beat you at your own damn game                   |
|-------------------------------------------------------------------|
| No dice honey, I'm livin' on the astral plane                     |
| Feet's on the ground, and your head's goin' (1) the drain         |
| Oh, heads I win, (2) you lose, to the never mind                  |
| Where to (3) the line                                             |
| An Indian summer, Carrie was all over the floor                   |
| She was a wet net winner, and rarely ever left the store          |
| She'd sing and dance all night, and wrong all the right out of me |
| Oh, pass me the vile and cross your fingers, it don't (4) time    |
| Nowhere to draw the line                                          |
| Hi ho silver, we (5) singin' all your cowboy songs                |
| Oh, you told Carrie, and promised her you wouldn't be long        |
| Heads I win, tails you lose, lord it's such a crime               |
| No dice honey, you the salt, you're the (6) of the brine          |
| Checkmate honey, you're the (7) one who's got to choose           |
| Where to (8) the line                                             |
| Checkmate                                                         |
| Don't be late                                                     |
| Take another pull                                                 |
| That's right                                                      |
| Impossible                                                        |
| When you got to be yourself                                       |
| You're the boss                                                   |
| The toss                                                          |
| The dice                                                          |
| The price                                                         |
| Grab yourself a slice                                             |
| Nowhere to (9) the line                                           |

- 1. down
- 2. tails
- 3. draw
- 4. take
- i. tako
- 5. were
- 6. queen
- 7. only
- 8. draw
- 9. draw
