It's The Only One You've Got by Three Doors Down

how do you know where you're going	You hide (11) your walls
when you don't know where you've been	cause (12) he never hurts
You hide the shame that you're not showing	Forgetting (13) there's (14)
and you won't let anyone in	more
A crowded street can be a quiet place	than (15) (16) better
when you're walking alone	Your mistakes do not define you now
So now you (1) that you're the only one	They tell you who you're not
who doesn't have to try	You've got to live this life you're given
and you won't have to fail	like it's the only one you've got
You're so (2) to fly	What (17) it take
then I (3) you never will	to get you to say that I'll try
You hide (4) your walls	And what would you say if this
cause maybe he never hurts	was the last day of your life
Forgetting (5) there's something more	You hide behind your walls
than just knowing better	cause maybe he never hurts
Your mistakes do not define you now	Forgetting (18) there's (19)
They tell you who you're not	more
They tell you who you're not You've got to live this (6) you're given	more than (20) knowing better
You've got to live this (6) you're given	than (20) knowing better
