Fill in the gaps

Down

Away From The Sun by Three Doors
It's down to this
I've got to make this life make sense
Can anyone tell what I've done
I missed a life
I missed the colors of the world
Can anyone tell where I am
Cause now again I (1) myself so far down
Away from the sun that shines (2) the darkest place
I'm so far down away from the sun again
Away from the sun again
I'm over there
I'm tired of living in the dark
Can anyone see me down here
The feeling's gone
There's nothing left to lift me up
Back into the world I know
Cause now again I found myself so far down
Away from the sun that shines (3) the darkest place
I'm so far down away (4) the sun
That shines to light the way for me
To find my way back into the arms
And tell about the ones like me
I'm so far down away (5) the sun again
It's down in there
I've got to (6) this life make sense
Now I can't tell what I'm doing
Now again I (7) myself away from the sun
That shines to (8) the way for me
