Fill in the gaps

You Don't Say Us Anymore by Robin Gibb

Giving you an ultimatum	But you don't see me anymore (no you don't)
Try to figure out why you	I stand alone (no you don't)
Act the way you do ,avoiding me	Your head is (12) of illusions
And trying to keep (1) distance	Your heart is stone
Saw your image in a photograph	(You don't say us , you don't say us)
Couldn't cry so I had to laugh	Soon, (13) the night is young
And the jealousy that I (2) inside	I'll be old and gone
Gave way to pure frustration	All because I'm down
And you don't (3) me with your sexy innuendos	(You don't say us , you don't say us)
And all the (4) you hide	(break)
You find adventure when your sleeping	And you don't fool me with (14) (15)
in a brave new world	innuendos
But you don't see me anymore (no you don't)	And all the secrets you hide
I stand alone (no you don't)	You find adventure (16) your
Your head is full of illusions	sleeping in a brave new world
Your heart is stone	But you don't see me anymore (no you don't)
But you don't say us anymore (no you don't)	I stand (17) (no you don't)
And the (5) is (6) (no you don't)	Your (18) is (19) of illusions
No you don't say us anymore , anymore	Your (20) is stone
(You don't say us , you don't say us)	(You don't say us , you don't say us)
Like the devil in the deep (7) sea	Come , hold me like before
Gotta have you and must be free	Do the things you need to do
And all you do is torture me	What I asked before
and question (8) I stand for	(You don't say us , you don't say us)
I'm a (9) of circumstance	But you don't see me anymore (no you don't)
Just like in modern romance	I (21) alone (no you don't)
And in my situation we go	Your head is full of illusions
straight to a hotel room	Your heart is stone
And we take our chances	(You don't say us , you don't say us)
And when I met you ,	Come , (22) me like before
you were standin' in the moonlight	Do the things you (23) to do
And your (10) (11) down	What I asked before
I took advantage of a golden opportunity	

1. your

- 2. felt
- 3. fool
