

Fill in the gaps

You Don't Say Us Anymore by Robin Gibb

Giving you an ultimatum
Try to (1)_____ out why you
Act the way you do ,avoiding me
And (2)_____ to keep your distance
Saw your image in a photograph
Couldn't cry so I had to laugh
And the jealousy that I (3)_____ inside
Gave way to pure frustration
And you don't fool me with your sexy innuendos
And all the secrets you hide
You find adventure when your sleeping
in a brave new world
But you don't see me anymore (no you don't)
I stand alone (no you don't)
Your head is (4)_____ of illusions
Your heart is stone
But you don't say us anymore (no you don't)
And the light is gone (no you don't)
No you don't say us anymore , anymore
(You don't say us , you don't say us)
Like the devil in the (5)_____ blue sea
Gotta have you and must be free
And all you do is torture me
and question what I stand for
I'm a victim of circumstance
Just like in modern romance
And in my situation we go
straight to a hotel room
And we take our chances
And when I met you ,
you were standin' in the moonlight
And your (6)_____ (7)_____ down
I took advantage of a golden opportunity

But you don't see me anymore (no you don't)
I stand alone (no you don't)
Your head is full of illusions
Your heart is stone
(You don't say us , you don't say us)
Soon , when the night is young
I'll be old and gone
All because I'm down
(You don't say us , you don't say us)
(break)
And you don't fool me with your sexy innuendos
And all the secrets you hide
You find adventure when your
sleeping in a brave new world
But you don't see me anymore (no you don't)
I stand alone (no you don't)
Your head is full of illusions
Your (8)_____ is stone
(You don't say us , you don't say us)
Come , hold me (9)_____ before
Do the things you need to do
What I asked before
(You don't say us , you don't say us)
But you don't see me anymore (no you don't)
I stand alone (no you don't)
Your head is full of illusions
Your heart is stone
(You don't say us , you don't say us)
Come , (10)_____ me like before
Do the things you used to do
What I asked before

Answer

1. figure
2. trying
