

Fill in the gaps

She lived like she knew nothing lasts
Didn't care to look lika anyone else
And she was beautiful, so beautiful
I still hear her laugh like she's here
Shower it down on all the young
It isn't so (1) to have such fun
Forever angel
I hope they love you like we do
Forever angel
I'll be (2) to be like you
Be like you
(I'll be proud to be (3) you)
Does the sun shine up at you when you're looking down
Do you get along with the others around
It's got to be (4) than before
You don't need to worry now you're gone
Forever angel
I hope they love you like we do
Forever angel
I'll be proud to be like you

Be like you
Just like you
And when I go to sleep at night
I'll (5) you for each blessed thing
(6) me
For every fall I'll ever break
Each moment's breath I wanna taste
Confidence and conscience
Decadent extravagance
Never ending providence
For loving when I had the chance
Angel
I hope they love you like we do
Forever angel
I'll be (7) to be like you
Forever angel
I'll be (8) to be like you
Be like you
I'll be proud to be (9) you
