

Fill in the gaps

She lived like she knew (1) lasts	Be (14) you
Didn't care to (2) (3) anyone else	Just like you
And she was beautiful, so beautiful	And when I go to sleep at night
I still hear her laugh (4) she's here	I'll thank you for each blessed (15) surrounding
Shower it down on all the young	me
It isn't so wrong to (5) such fun	For every fall I'll (16) break
Forever angel	Each moment's breath I (17) taste
I (6) they love you (7) we do	Confidence and conscience
Forever angel	Decadent extravagance
I'll be proud to be like you	Never (18) providence
Be (8) you	For loving when I had the chance
(I'll be proud to be like you)	Angel
Does the sun shine up at you when you're looking down	I (19) they (20) you like we do
Do you get along (9) the (10)	Forever angel
around	I'll be proud to be like you
It's got to be better (11) before	Forever angel
You don't (12) to worry now you're gone	I'll be proud to be like you
Forever angel	Be like you
I hope they love you like we do	I'll be (21) to be like you
Forever angel	
I'll be proud to be (13) you
