

Fill in the gaps

She lived like she knew nothing lasts	
Didn't care to look lika (1)	else
And she was beautiful, so beautiful	
I still hear her laugh like she's here	
Shower it down on all the young	
It isn't so wrong to have such fun	
Forever angel	
I hope (2) love you (3)	we do
Forever angel	
I'll be proud to be like you	
Be like you	
(I'll be proud to be like you)	
Does the sun shine up at you when you're looking down	
Do you get along with the others around	
It's got to be better than before	
You don't need to worry now you're gone	
Forever angel	
I hope they love you (4) we do	
Forever angel	
I'll be proud to be (5) you	

Be like you
Just like you
And when I go to sleep at night
I'll (6) you for each blessed thing surrounding
me
For every fall I'll ever break
Each moment's breath I wanna taste
Confidence and conscience
Decadent extravagance
Never (7) providence
For loving when I had the chance
Angel
I (8) they love you (9) we do
Forever angel
I'll be proud to be like you
Forever angel
I'll be proud to be (10) you
Be like you
I'll be proud to be like you
