Walk Away by Franz Ferdinand

Fill in the gaps

I swapped my innocence for pride			Mascara bleeds into my eye
Crushed the end within my stride			I'm not cold
Said I'm strong now I (1)	(2)	I'm a	I am old
leaver			At least
I love the sound of you (3)	away		As old as you are
Mascara bleeds a (4)	tear		As you (8) away?
And I am cold			As you walk away
Yes, I'm cold			My headstone crumbles down
But not as cold as you are			As you walk away
I love the sound of you walking away			The Hollywood (9) a-howl
Why don't you walk away?			As you (10) away
Why don't you walk away?			The Kremlin's falling
No buildings (5) fall down			As you walk away
Why don't you walk away?			Radio Four is STATIC
No quake will split the ground			As you walk away
Why don't you walk away?			The stab of stiletto
The sun won't swallow the sky			On a silent night
Why don't you walk away?			Stalin Smiles
Statues will not cry			Hitler laughs
Why don't you walk away?			Churchill claps
I cannot turn to see those eyes			Mao Tse Tung
As (6) may rise			on the back
I must be strong and stay an unbeliever			
And love the (7) of you walking away
