

Fill in the gaps

One by one	Out of time
every (1) is gone	Every step I take
and the (2) begins	is (13) (14) the line
Bring on the clowns	Here I stand left behind
Pain is quiet	My eyes (15) wide
I've (3) at silence	If you need me you (16) try
for the last time	calling the (17) boy
Let the show begin	call in
for the (4) time	call in the night boy
Sometimes one,	Say goodnight
sometimes each of us is wrong	Every hour brings
but the (5) begins	the morning of my life
Bring on the clowns	Out of tune
blind to reason	Every breath I take
These (6) are dreaming	I take it over you
for the last time	I don't care
Let the show begin	what people say
for the last time	I don't care
Let the show begin	Night is Day
(Instrumental)	I'll remember if you say
Bring on the clowns	call in the (18) boy
Smiling sweetly	call in
doubt may leave me	call in the night boy
for the (7) time	call in
Let the (8) begin	(Instrumental)
for the (9) time	Here I (19) left behind
Let the show begin	My (20) are open wide
Let the (10) begin	If you (21) me you (22) tr
for the last time,	calling the night boy
for the last time	call in
Let the show begin	call in the night boy
for the last time,	call in
for the (11) time	call in the night boy,
for the last time,	calling the (23) boy,
for the (12) time,	calling the night boy,
for the last time	call in
7. Call In The Night Boy	call in the (24) boy
Say goodnight	call in
Every hour brings
