

Fill in the gaps

London calling to the far away towns	
Now war is declared and battle come down	
London calling to the underworld	
Come out of the cupboard, you boys and girls	
London calling, now don't look at us	
Phoney Beatlemania has bitten the dust	
London calling, see we ain't got no swing	
'Cept for the ring of that (1) thing	
The ice age is coming, the sun zooming in	
Meltdown expected, the (2) is growing thin	
Engines stop running, but I (3) no fear	
'Cause London is drowning and I - live by the river	
London calling to the imitation zone	
Forget it, brother, you can go it alone	
London (4) to the zombies of death	
Quit holding out – and draw another breath	
London calling – and I don't (5) shout	

But while we were talking – I saw you nodding out	
London calling, see we ain't got no highs	
Except for that one with the yellowy eyes	
The ice age is coming, the sun is (6)	in
Engines stop running, the wheat is growing thin	
A (7) error, but I have no fear	
'Cause London is drowning and I - I (8)	by the river
(x2)	
Now get this!	
London calling, yes, I was there, too	
An' you know what they said? Well, (9)	_ of it was
true!	
London calling at the top of the dial	
After all this, won't you give me a smile?	
London calling	
I never felt so much alike
