Winding your way down on Baker Street
Light in your head and dead on (1) feet
Well another (2) day
You'll drink the night away
And forget about everything
This city desert makes you feel so cold
It's got so many people but it's got no soul
And it's taken you so long
To find out you were wrong
When you thought it (3) everything
You used to think that it was so easy
You used to say that it was so easy
But you're trying, you're trying now
Another year and then you'd be happy
Just one more year and then you'd be happy
But you're crying, you're crying now
Way down the street there's a light in his place

He (4) the door, he's got that look on his face
And he (5) where you've been
You tell him who you've seen
And you talk about anything
He's got this dream (6) buying some land
He's gonna give up the (7) and the one night
stands
And then he'll (8) down
In (9) quiet little town
And forget about everything
But you know he'll always keep moving
You know he's never gonna (10) moving
'Cause he's rolling, he's the rolling stone
And when you wake up, it's a new morning
The sun is shining, it's a new morning
And you're going, you're going home
