

Fill in the gaps

I haven't slept at all in days	
It's been so (1) since we've talked	
And I have been here many times	
I (2) don't know what I'm (3)	wrong
What can I do to (4) you love me	
What can I do to make you care	
What can I say to (5) you feel this	
What can I do to get you there	
There's only so much I can take	
And I just got to let go	
And who knows I might feel better, yeah	
If I don't try and I don't hope	
What can I do to make you love me	
What can I do to make you care	
What can I say to make you (6) this	
What can I do to get you there	
No more waiting, no more, aching	

No more fighting, no more, trying	
Maybe there's nothing more to say	
And in a funny way I'm calm	
Because the (7) is not mine	
I'm just going to let it fly	
What can I do to make you love me	
What can I do to make you care	
What can I say to make you (8) this	
What can I do to get you there	
What can I do to make you love me	
What can I do to make you care	
What can I change to make you feel this	
What can I do to get you there	
And (9) melove melove me	
Fade Out
