

## Fill in the gaps

| In a room full of emptiness         |  |  |  |  |
|-------------------------------------|--|--|--|--|
| By a (1) I confess                  |  |  |  |  |
| I was lost in the pages             |  |  |  |  |
| Of a book full of (2)               |  |  |  |  |
| Reading how we'll die alone         |  |  |  |  |
| And if we're good we'll lay to rest |  |  |  |  |
| Anywhere we want to go              |  |  |  |  |
| In your house I long to be          |  |  |  |  |
| Room by room patiently              |  |  |  |  |
| I'll wait for you there             |  |  |  |  |
| Like a stone                        |  |  |  |  |
| I'll (3) for you there              |  |  |  |  |
| Alone                               |  |  |  |  |
| And on my deathbed I will pray      |  |  |  |  |
| To the gods and the angels          |  |  |  |  |
| Like a (4) to anyone                |  |  |  |  |
| Who will take me to heaven          |  |  |  |  |
| To a place I recall                 |  |  |  |  |
| I was there so long ago             |  |  |  |  |
| The sky was bruised                 |  |  |  |  |
| The (5) was bled                    |  |  |  |  |
| And there you led me on             |  |  |  |  |

On a cobweb afternoon

| In your house I long t   | o be         |       |          |  |
|--------------------------|--------------|-------|----------|--|
| Room by room patier      | ntly         |       |          |  |
| I'll wait for you there  |              |       |          |  |
| Like a stone             |              |       |          |  |
| I'll wait for you there  |              |       |          |  |
| Alone, alone             |              |       |          |  |
| And on I read            |              |       |          |  |
| Until the day was gone   |              |       |          |  |
| And I sat in regret      |              |       |          |  |
| Of all the (6)           | I've done    |       |          |  |
| For all that I've blesse | ed           |       |          |  |
| And all (7)              | I've wronged |       |          |  |
| In (8)                   | (9)          |       | my death |  |
| I will wander on         |              |       |          |  |
| In your house I (10)_    |              | to be |          |  |
| Room by room patiently   |              |       |          |  |
| I'll wait for you there  |              |       |          |  |
| Like a stone             |              |       |          |  |
| I'll wait for you there  |              |       |          |  |
| Alone, alone             |              |       |          |  |
