## Walk On The Wild Side by Lou Reed

## Fill in the gaps

Holly came from Miami FLA	Hey babe, take a walk on the (5) side
Hitch-hiked her way across the USA.	I Said hey Joe, take a (6) on the wild side
Plucked her eyebrows on the way	Sugar Plum Fairy came and hit the streets
Shaved her leg and then he was a she	Lookin' for soul food and a (7) to eat
She said, hey babe, take a (1) on the wild side,	Went to the Apollo
Said, hey honey, take a walk on the wild side.	You should have seen him go go go
Candy came from out on the island,	They said, hey Sugar, take a walk on the wild side
In the backroom she was everybody's darling,	I said, hey honey, take a walk on the wild side
But she never lost her head	Jackie is just speeding away
Even when she was (2) head	Thought she was James Dean for a day
She said, hey baby, (3) a walk on the wild side	Then I guess she had to crash
She said, hey babe, take a walk on the wild side	Valium would have helped (8) dash
And the coloured girls go, doo doo doo, doo	She said, hey babe, take a walk on the wild side
Little Joe never once gave it away	I said, hey honey, take a (9) on the (10)
Everybody had to pay and pay	side
A hustle here and a hustle there	And the coloured girls say doo doo doo, doo
