

Fill in the gaps

I close the door	I'm inconsolable
Like so (1) times, so (2) times before	Oh oh no no no
Filmed like a scene on the cutting room floor	I don't wanna be like this
When I let you walk away tonight	I just wanna let you know
Without a word	'Cause everything that I hold in
I try to sleep, yeah	Is everything I can't let go
But the clock is stuck on thoughts of you and me	Oh oh oh can't let go
A thousand (3) regrets unraveling, ohh	Yeah yeah yeah
If you (4) here right now, I swear,	CHORUS
I'd tell you this	'Cause (7) I don't wanna waste another day
CHORUS	Keeping it inside it's killing me (killing me 'cause)
Baby I don't (5) to waste another day	'Cause all I ever want (all I ever wanted)
Keeping it inside it's killing me	Comes right down to you (to you), to you (to you)
'Cause all I ever want, it comes right down to you (to you)	I wish that I could (8) the words to say
I'm wishing I could find the words to say	Baby I would tell you every time you leave
Baby I would tell you every time you leave	I'm inconsolable
I'm inconsolable	Oh oh oh
I climb the walls	Don't you (9) it baby
I can see the edge but I can't take the fall, no.	I don't wanna waste another day
I've memorised the number	I wish (10) I could find the words to say
So why can't i make the call	Baby I would tell you every time you leave
Maybe 'cause I know you'll always be with me	I'm inconsolable
In the possibilities	Yeah yeah
CHORUS	Yeah yeah oh oh
Baby I don't wanna waste another day (another day)	I'm inconsolable
Keeping it inside it's killing me	Whoa oh oh oh yeah yeah oh oh
'Cause all I ever want it comes right down to you (to you)	I'm inconsolable
I wish that I could find the words to say	Oh oh yeah yeah
Baby I (6) tell you every time you leave
