Fill in the gaps

Slow It Down by Amy Macdonald

I never knew you before,
I've been walking around with my (1)_____ on the floor
And know (2)_____ everywhere to me
You're every face that I see, things ain't moving quick enough for me
I guess (3)_____ been
Running 'round town
and leaving my tracks,
Burning out rubber
driving too fast
But I, (4)_____ (5)_____ slow it right down
Back to the moment the very start,
from the very first day you had my heart
but I got to slow right down…
Slow it down.
[Down down down]
[down down down down...]
Wishing, wanting for something more
Always better than I had before
Who knew these dreams would come true
And I run the red, won't stop at night
I don't care for traffic lights
Things ain't (6)_____ quick enough for me
I guess I've been
Running round town
and leaving my tracks,
Burning out rubber
driving too fast
But I got to slow right down
Back to the moment the very start,
from the very first day you had my heart
but I got to slow right down
Slow it down.
[Down down down]
[down down down down...]
I guess I've been
Running round town
and leaving my tracks,
Burning out rubber
driving too fast
But I got to slow right down
Back to the moment the very start,
from the very first day you had my heart
but I got to slow right down…
Slow it down.
I guess (7)_____ been
Running round town
and leaving my tracks,
Burning out rubber
driving too fast
But I got to slow right down
Back to the moment the very start,
from the very first day you had my heart
but I, I got to slow (8)_____ down…
Slow it down.
(Down (9)_____ down)
(down down down down…)

Fill in the gaps

Answer
