

## Fill in the gaps

I never knew you before,	from the very first day you had my heart
l've been (1) (2) with my	but I got to slow right down
(3) on the floor	Slow it down.
And know you're everywhere to me	[ Down (15) down ]
You're every face that I see, things ain't moving quick enough	[ (16) down down down ]
for me	I (17) I've been
I guess I've been	Running round town
Running (4) town	and (18) my tracks,
and leaving my tracks,	Burning out rubber
Burning out rubber	driving too fast
driving too fast	But I got to slow (19) down
But I, I've gotta slow it right down	Back to the moment the (20) start,
Back to the moment the (5) start,	from the very first day you had my heart
from the very first day you had my heart	but I got to (21) (22) down
but I got to slow right down	Slow it down.
Slow it down.	I guess I've been
[ Down down down ]	Running (23) town
[ down (6) down down ]	and (24) my tracks,
Wishing, (7) for (8)	Burning out rubber
more	driving too fast
Always (9) (10) I had before	But I got to (25) right down
Who knew these dreams would come true	Back to the moment the very start,
And I run the red, won't (11) at night	from the very (26) day you had my heart
I (12) care for traffic lights	but I, I got to slow right down
Things (13) moving quick enough for me	Slow it down.
I guess I've been	( Down (27) down )
Running round town	( down down down )
and leaving my tracks,	
Burning out rubber	
driving too fast	
But I got to slow right down
