ried to break her to a science	but it was all my own amusement
n an act of good defiance	saying love was an illusion of a hopeless heart.
broke her heart.	of all of the things that she's ever said
There's a pull up on her theories	she goes and says something that knocks me dead.
here's a watch her growing weary	You won't find faith or hope down a telescope
broke her heart.	You won't find (6) and soul in the stars
naving (1) conversations	you can break everything, got the chemicals?
about the frivilous constellations of our souls. oh	but you can't explain a love like ours.
we're just trying to find some meaning	ooohhhh
n the things that we believe in	its the way we feel, yeh this is real.
out we got some ways to go.	ooohhhh
of all of the (2) that she's ever said	its the way we feel, yeh this is real.
she goes and says something that just knocks me dead.	of all of the things that she's ever said
You won't find faith or hope down a telescope	she goes and (7) something that just
You won't find (3) and soul in the stars	(8) me dead
you can break everything, got the chemicals?	You won't find faith or hope down a telescope
out you can't explain a love (4) ours.	You won't find heart and soul in the stars
ooohhhh	you can break everything, got the chemicals?
ts the way we feel, yeh this is real.	but you can't explain a love like ours.
ooohhhh	ooohhhh
ts the way we feel, yeh (5) is real.	its the way we feel, yeh this is real
tried pushing evolution	ooohhhh
as the obvious conclusion of the start.	its the way we feel, yeh this is (9)
