

Fill in the gaps

Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and (1) I think of when we were together	But I don't wanna (13) that way, reading into every
ike when you said you felt so happy you could die	(14) you say
Told myself that you were right for me	You said that you could let it go
But felt so (2) in your company	And I wouldn't (15) you hung up on somebody
But that was (3) and it's an ache I still remember	that you used to know
ou can get (4) to a	But you didn't have to cut me off
5) kind of sadness	Make out (16) it never happened and that we
ike resignation to the end, always the end	(17) nothing
So, (6) we found that we could not make sense	And I don't even need your love
Vell, you said that we would still be friends	But you (18) me like a stranger and
But I'll admit that I was glad that it was over	(19) (20) so rough
But you didn't have to cut me off	No, you didn't (21) to (22) so low
Make out like it never happened and that we were nothing	Have your friends collect (23) records and then
And I don't (7) need your love	(24) (25) number
But you treat me like a stranger and that feels so rough	I guess that I don't need, (26) though
No, you didn't have to stoop so low	Now you're just somebody that I (27) to know
Have your friends (8) your records and	Somebody, I used to know
hen change your number	Somebody, now you're just somebody that I used to know
guess that I don't need, that though	Somebody, I used to know
Now you're just somebody that I used to know	Somebody, now you're just somebody that I (28) to
Now you're just (9) (10) I	know
used to know	I used to know
Now you're just (11) that I used to know	That I (29) to know
Now and (12) I think of all the times you screwed	I used to know
ne over	Somebody
But had me believing it was always something that I'd done
