

Fill in the gaps

Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we (1) together	But I don't wanna live that way, reading into every word you
Like when you said you felt so happy you could die	say
Told (2) that you were right for me	You said that you could let it go
But felt so lonely in your company	And I wouldn't catch you hung up on somebody that you
But that was love and it's an ache I (3)	(7) to know
remember	But you didn't have to cut me off
You can get addicted to a certain kind of sadness	Make out like it never happened and that we were nothing
Like resignation to the end, always the end	And I don't even need your love
So, when we found that we could not make sense	But you treat me like a stranger and that feels so rough
Well, you said that we would still be friends	No, you didn't have to stoop so low
But I'll admit that I was glad that it was over	Have your friends collect your records and then
But you didn't have to cut me off	(8) your number
Make out like it never happened and that we were nothing	I guess that I don't need, that though
And I don't even need your love	Now you're just somebody that I used to know
But you treat me (4) a stranger and that feels so	Somebody, I used to know
rough	Somebody, now you're just somebody that I used to know
No, you didn't have to stoop so low	Somebody, I used to know
Have your friends collect your records and then change your	Somebody, now you're just somebody that I used to know
number	I used to know
I guess that I don't need, that though	That I (9) to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I used to know	Somebody
Now you're just somebody (5) I used to know	
Now and (6) I think of all the times you screwed	
me over	
But had me believing it was always something that I'd done	

- 1. were
- 2. myself
- 3. still
- 4. like
- 5. that
- 6. then
- 7. used
- 8. change
- 9. used
