

Fill in the gaps

My tea's (1) cold, I'm (2)	I (15) to thank you
why	for giving me the best day of my life
I got out of bed at all	Oh just to be with you
The morning rain clouds up my window	is having the (16) day of my life
and I can't see at all	Push the door, I'm home at last
And even if I (3) it'd all be grey,	and I'm (17) through and through
but (4) (5) on my wall	Then you hand me a towel
It reminds me (6) it's not so bad,	and all I see is you
it's not so bad	And even if my house falls down now,
I (7) too much (8) night, got	I wouldn't have a clue
(9) to pay,	because' you're (18) me and
my head just (10) in pain	I want to (19) you
I (11) the bus and there'll be hell today,	for (20) me the (21) day of my life
I'm late for work again	Oh (22) to be with you
And even if I'm there, they'll all imply	is having the best day of my (23) (bis)
that I (12) not (13) the day	
And (14) you call me and it's not so bad,	
it's not so bad and
