Shadow Soldiers by Accept

Fill in the gaps

So cold and lonely it seems so long since someone was here
Following the shadows, with the sun (1) it disappears
Thousands of stone white crosses, a formation for all to see
With flags and flames, the ranks and the names of those who died to be free
The fire (2) in our hearts all of our (3) made new
Etched in the flames of freedom, we're living on thru you
We're the Shadow Soldiers, laid to rest (4) tall
Shadow Soldiers, in freedom you live
That's why we've (5) it all
Taken too soon from the lives we loved a misery I can not explain
Only when we feel your presence are we sure we did not die in vein
The fire remains in our hearts all of our dreams made new
Etched in the flames of freedom, are (6) words, oh so true
We're living on thru you
We're the Shadow Soldiers, laid to rest standing tall
Shadow Soldiers, in freedom you live
That's why we've given it all
The fire (7) in our hearts all of our dreams made new
Etched in the flames of freedom, we're living on (8) you
We're the Shadow Soldiers, laid to rest standing tall
Shadow Soldiers, in freedom you live
That's why we've given it all
Shallow Soldiers, laid to (9) standing tall
Shadow Soldiers, in freedom you live
That's why we've given it all
