### Fill in the gaps

#### Please Forgive Me by Bryan Adams

Still feels like our first night together		So if you're feelin' lonely don't			
Feels like the first kiss and it's gettin' better baby		You're the only one I ever want			
No one can better this		I (4) wanna make it good			
Still holdin' on, you're still the one		So if I love you	a little more (5)	Is	hould
First time our eyes met - the same feeling I get		Please forgive me - I (6) not what I do			
Only feels much stronger - I wanna love you longer		Please forgive me - I can't stop loving you			
You still turn the fire on		Don't deny me - this pain I'm going through			
So if you're feelin' lonely don't		Please forgive me - if I need ya like I do			
You're the (1) one I ever want		Oh believe me - every (7) I say is true			
I only wanna make it good		Please forgive me - I can't stop loving you			
So if I love ya a little more than I should		One thing I'm sure of - is the way we make love			
Please forgive me - I know not what I do		The one thing I depend on			
Please forgive me - I can't stop loving you		Is for us to stay strong			
Don't deny me - this pain I'm going through		With every word and every breath I'm prayin'			
Please forgive me - if I need ya like I do		That's why I'm sayin'			
Please believe me - every word I say is true		Please forgive me - I know not what I do			
Please forgive me - I can't (2) loving you		Please forgive me - I can't stop loving you			
Still feels like our best times are together		Don't deny me - this pain I'm going through			
Feels like the first touch		Please forgive me - if I need you like I do			
We're still gettin' closer baby		Babe believe me - every word I say is true			
Can't get close enough		Please forgive	me - If I can't (8)	lo	ving yo
I'm still holdin' on - you're (3) nu	mber one	Never (9)	me - I don't	know wh	at I do
