

## Fill in the gaps

\_ his hands

In only a moment truth was seen	Would you take the place of this man
Revealed this mystery	Would you take the nails (8) his hands
The crown that showed no dignity he wore	And we just don't know
And the king was (1) for all the world to show	The blood and water flowed
disgrace	And in it all He showed
But only beauty flowed from this place	Just how much He cared
Would you take the place of this man	And the veil was torn
Would you take the nails from his hands	So we could have (9) open door
Would you take the place of this man	And all these things have finally been complete
Would you take the nails from his hands	Would you take the place of this man
He (2) the weight of impurity	Would you take the nails from his hands
The (3) would not see	Would you (10) the place of this man
The reasons had finally come to be to show	Would you take the nails from his hands,
The depth of His (4) flowed with (5)	from his hands, from his hands, from his hands
sin erased	
He (6) (7) this was why he came	
Would you take the place of this man	
Would you take the nails from his hands
