

Fill in the gaps

I can see how you are beautiful, can you feel my eyes on you,	Talk to me, show some pity
I'm shy and (1) my head away	You touch me in many, many ways
Working late in diner Citylight, I see that you get home alright	But I'm shy can't you see
Make sure that you can't see me, hoping you will see me	I see, can't have you, can't (8) you, there 'cause
Sometimes I'm wondering why you look me and you	I must sometimes see you
(2) your eye	And I don't understand how you can keep me in chains
You can't be acting like my Dana (can you)	And every waking hour, I feel you taking power From me and
I see you in Citylight diner serving all those (3)	can't live
and then	Repeating the scenery over again
I see reflections of me in your eye, oh please	Sometimes I'm wondering why you look me and you blink you
Talk to me, show some pity	eye
You touch me in many, many ways	You can't be (9) like my Dana?
But I'm shy can't you see	I see your beautiful smile and I would like to run away from
Obsessed by you, your looks, well, anyway "I would any day	Reflections of me in your eyes, oh please
die for you",	Talk to me, show some pity
I (4) on paper erased away	You touch me in many, many ways
Still I sit in diner Citylight, (5) coffee or	But I'm shy can't you see,
reading lies	Oh baby, Talk to me, show some pity
Turn my head and I can see you, could (6) really	You touch me in many, many ways
be you	But I'm shy can't you, I'm shy can't you, I'm shy can't you see
Sometimes I'm wondering why you look me and you blink your	
eye	
You can't be acting like my Dana?	
I see your beautiful smile and I (7) like to run	
away from	
Reflections of me in your eyes, oh please
