## Otherside by Red Hot Chili Peppers

## Fill in the gaps

How long how (1) will I slide	Push the trigger and pull the thread
Separate my side	I've got to take it on the otherside
I don't	Take it on the otherside
I don't (2) it's fair	Take it on
Slittin' my throat	Take it on
It's all I ever	How long how long will I slide
I heard your voice through a photograph	Separate my side
I thought it up and brought up the past	I don't
Once you know you can never go back	I don't believe it's fair
I've got to (3) it on the otherside	Slittin' my throat
Centuries are what it meant to me	It's all I ever
A cemetery where I married the sea	Turn me on, take me for a hard ride
Stranger things could never (4) my mind	Burn me out leave me on the otherside
I've got to take it on the otherside	I yell and tell it that
Take it on the otherside	It's not my friend
Take it on	I tear it down I tear it down
Take it on	But (6) it's born again
How long how long will I slide	How (7) how long (8) I slide
Separate my side	Separate my side
I don't	I don't
I don't believe it's fair	I don't (9) it's fair
Slittin' my throat	Slittin' my throat
It's all I ever	It's all I ever
Pour my life into a paper cup	How long how long
The ashtray's full and I'm spillin' my guts	I don't
She wants to know am I still a slut	I don't believe it's fair
I've got to (5) it on the otherside	Slittin' my throat
A scarlet starlet and she's in my bed	It's all I (10)
A candidate for a soul mate bled
