Fill in the gaps

t doesn't matter		No flag has ever stopped		
f you're (1) or	if you're right	The bullet from a gun		
t makes no difference		Death is just a (16)	away	
f you're black or if you're white		Out in the fields		
All men are equal		A (17)	away	
Till the victory is won		Out in the fields		
No colour or religion		Death is just a heartbeat away		
Ever stopped the bullet from a gun		Out in the fields		
Out in the fields		A heartbeat away		
The fighting has begun		Out in the fields		
Out on the streets		In the fields		
They're (2)	_ one by one	The (18)	has begun	
Out from the skies		Out on the streets		
A (3)	(4) (5) die	They're falling one by one		
each day		Out (19) the skies		
Death is just a heartbeat away		A (20)	more will die (21)	day
t doesn't matter		[Lyrics (22) www	w.EasyLyrics.org]	
f you're left or to the right		They're (23) one by one		
Don't try to hide behind the cause		Out in the fields		
Γhey (6) to fight		No flag has ever stopped		
There'll be no (7)	taken	The bullet (24)	a gun	
When the day is done		Death is just a heartbeat a	way	
No flag, no uniform		Out in the fields		
Ever (8)	the (9) from a gun	A heartbeat away		
Out in the fields		Out in the fields		
The fighting has begun		Death is just a heartbeat a	way	
Out on the streets		Out in the fields		
They're (10)	one by one	A heartbeat away		
Out from the skies		Out in the fields		
A thousand (11)	will die (12) day	In the fields		
Death is (13) a (14) away		The fighting has begun		
There's no communication		Out on the streets		
No one to take the blame		They're falling one by one		
The cries of every nation		Out from the skies		
They're falling on deaf ears again		A (25)	more will die (26)	day
Out in the fields		out!		
Out in the fields				
They're (15)	one by one
