

## Fill in the gaps

## If Today Was Your Last Day by Nickelback

My best friend gave me the best advice	Swear up and down to God above
He said (1) day's a gift and not a given ri	ght That you finally (12) in love
Leave no stone unturned, leave your fears behind	If (13) was your last day
And try to take the (2) less traveled by	If today was your (14) day
That first step you take is the longest stride	Would you (15) your (16) by
If today was your last day	(17) a broken heart?
And tomorrow was too late	You (18) it's never too late to shoot for the stars
Could you say goodbye to yesterday?	Regardless of who you are
Would you live each moment (3) your last	st? So do whatever it takes
Leave old pictures in the past	'Cause you can't rewind a (19) in
Donate every (4) you have?	(20) life
If today was (5) last day	Let nothin' stand in (21) way
Against the grain (6) be a way of life	e Cause the hands of time are never on your side
What's worth the (7) is always worth the	ne fight If today was your (22) day
Every second counts 'cause there's no second try	And tomorrow was too late
So live (8) you'll never live it twice	Could you say goodbye to yesterday?
Don't take the free (9) in your own life	Would you (23) each (24) like
If today was (10) last day	(25) last?
And tomorrow was too late	Leave old pictures in the past
Could you say goodbye to yesterday?	Donate every (26) you have?
Would you live each moment like your last?	Would you call old friends you never see?
Leave old pictures in the past	Reminisce old memories
Donate every dime you have?	Would you forgive your enemies?
Would you call old friends you never see?	Would you (27) that one you're dreamin' of?
Reminisce old memories	Swear up and down to God above
Would you forgive your enemies?	That you finally fall in love
Would you find (11) one you're dreamin'	of? If today was (28) last day
