

Fill in the gaps

The (1) lean down to kiss you,	But (14) in Vanilla twilight,
And I lie awake I miss you,	I'll sit on the front porch all night,
Pour me a heavy dose of atmosphere.	Waist (15) in thought because (16) I
Cause I'll doze off (2) and soundly,	(17) of you.
But I'll (3) (4) arms around me	I don't feel so alone.
I'll send a postcard to you dear,	I don't feel so alone.
Cause I (5) you were here.	I don't (18) so alone.
I'll watch the night turn (6) blue,	As many times as I blink I'll think of you tonight.
But it's not the same (7) you,	I'll think of you tonight.
Because it takes two to (8) quietly,	When violet eyes get brighter,
The silence isn't so bad,	And heavy wings grow lighter,
Till I (9) at my (10) and feel sad,	I'll taste the sky and (19) (20) again.
Cause the spaces between my (11)	And I'll (21) the world (22) I knew,
Are right where yours fit perfectly.	But I swear I won't forget you,
I'll find (12) in new ways,	Oh if my (23) could reach back through the past,
Though I haven't slept in two days,	
Cause cold (13) chills me to the bone.	I'd whisper in your ear,
	Oh darling I wish you (24) here.
