

Fill in the gaps

The stars lean (1) to kiss you,	But (5) in Vanilla twilight,
And I lie awake I miss you,	I'll sit on the (6) porch all night,
Pour me a heavy dose of atmosphere.	Waist deep in thought because when I think of you.
Cause I'll doze off (2) and soundly,	I don't feel so alone.
But I'll miss your arms around me	I don't feel so alone.
I'll send a postcard to you dear,	I don't feel so alone.
Cause I wish you were here.	As many times as I blink I'll think of you tonight.
I'll watch the night turn light blue,	I'll (7) of you tonight.
But it's not the same without you,	When violet eyes get brighter,
Because it takes two to whisper quietly,	And heavy wings grow lighter,
The silence isn't so bad,	I'll taste the sky and feel alive again.
Till I (3) at my hands and (4) sad,	And I'll forget the world that I knew,
Cause the spaces between my fingers	But I swear I won't forget you,
Are right where yours fit perfectly.	Oh if my voice (8) reach back through the past
I'll find repose in new ways,	I'd whisper in your ear,
Though I haven't slept in two days,	Oh (9) I wish you were here.
Cause cold postalgia chills me to the hone
