## Children Of The Sea by Black Sabbath

In the (1) morning, on the edge of time	And it just had to be
We've lost the rising sun, a final sign	Yes (9) say that it's over
As the misty morning rolls away to die	We're lost children of the sea
Reaching for the stars, we (2) the sky	In the misty morning, on the edge of time
We sailed across the air before we learned to fly	We've lost the rising sun, a final sign
We (3) that it (4) never end	As the misty morning rolls away to die
We'd glide above the ground before we learned to run, run	Reaching for the stars, we blind the sky
Now it seems our world has come undone	Oh they say that it's over, yeah
Oh they say that it's over	And it just had to be
And it just had to be	Oh they say that it's over
Ooh they say that it's over	Poor lost children of the sea, yeah
We're lost (5) of the sea, oh	Look out! the sky is falling down!
We made the mountains shake with laughter as we played	Look out! The world is spinning round and round and round!
Hiding in our (6) of the world	Look out! The sun is going black, black
Then we did the demon (7) and	Look out! It's never (10) never coming back
(8) to nevermore	Look out!
