Everyday Heroes 911 by Dave Carroll

Firefighters at the station	That's when the cops come in
Listen as the tone goes out	These women and men.
Fire alarms activating	'Cause they've (11) a promise
And the building is (1) smoke	And (12) (13) come
And so the engine goes	Someone hurting calling 911
To (2) again.	And the siren's saying
These people at the scene just watching	Hope is on the way
People (3) out for their lives	There's a hero racing
The firefighters get them help	to help a stranger again.
Then now (4) go looking for more inside	de When people in the (14) need saving
Cause that's just what they do	a saviour's who answers the call
These women and men.	Don't get paid any more for danger
'Cause they've made a promise	Or get to pick the (15) they want
And here they come	They just go the way the few will go
Someone hurting (5) 911	May be they'll lay it all on the line
And the siren's saying	As they do (16) job
Hope is on the way	They'd do it one (17) time.
There's a hero racing	'Cause they've (18) a promise
to help a stranger again.	And (19) come
Saturday night in the city	Someone hurting (21) 911
A cruiser (6) a dispatch call	And the siren's saying
Little (7) says her daddy's mad	Hope is on the way
And drank a bunch of alcohol	There's a (22) racing
And so (8) head away	to (23) a stranger again.
To (9) again.	There's a hero racing
People at the house are screaming	to help a stranger again.
Someone yells, "He's got a gun!"	
Little girl (10) of panic cries out	
"Daddy, don't you shoot my mum"
