The Unforgiven by Metallica

Never be

Fill in the gaps

New blood joins (1) earth	Never see
And quickly he's subdued	Won't see what might have been
Through constant pained disgrace	What I've felt
The young boy (2) their rules	What I've known
With time the child draws in	Never shined through in what I've shown
This whipping boy done wrong	Never free
Deprived of all his thoughts	Never me
The (3) man struggles on and on he's known	So I dub thee unforgiven
A vow unto his own	[instrumental solo]
That never from this day	What I've felt
His will they'll take away	What I've known
What I've felt	Never shined through in what I've shown
What I've known	Never be
Never shined through in what I've shown	Never see
Never be	Won't see what might have been
Never see	What I've felt
Won't see what might have been	What I've known
What I've felt	Never shined through in (8) I've shown
What I've known	Never free
Never shined through in what I've shown	Never me
Never free	So I dub thee unforgiven
Never me	Never free
So I dub (4) unforgiven	Never me
they dedicate their lives,	So I dub thee unforgiven
to running all of his	You labeled me
He tries to please them all	I'll label you
This bitter man he is	So I dub thee unforgiven
Throughout his (5) the same	Never free
He's battled constantly	Never me
This fight he (6) win	So I dub thee unforgiven
A tired man (7) see no longer cares	You labeled me
The old man then prepares	I'll label you
To die regretfully	So I dub thee unforgiven
That old man here is me	Never free
What I've felt	Never me
What I've known	So I dub (9) unforgiven
Never shined through in what I've shown
