

## Fill in the gaps

As the (1) flies	And his hunger burns
On a cold and gray (2) mornin'	so he starts to roam the streets at night
A poor little (3) is born	and he learns how to steal
In the ghetto	and he learns how to fight
And his mama cries	In the ghetto
'cause if there's one (5) (6) she don't	Then one (17) in desperation
need	a young man (18) away
it's another (7) mouth to feed	He buys a gun, steals a car,
In the ghetto	tries to run, but he don't get far
People, don't you understand	And his (19) cries
the (8) a helping hand	As a crowd gathers 'round an (20) young man
or he'll grow to be an angry young man some day	face down on the street (21) a gun in his hand
Take a (10) at you and me,	In the ghetto
are we too blind to see,	As her young man dies,
do we (11) turn our heads	on a cold and (22) Chicago mornin',
and (12) the other way	another (23) baby (24) is born
Well the world turns	In the (25)
and a hungry little boy with a (13) nose	
plays in the (14) as the (15)	
(16) blows	
In the ghetto
