Are you gonna take me home tonight	Fat (6) girls you make the rockin' world
Ah down beside that red firelight	go round
Are you gonna let it all hang out	Hey listen here
Fat bottomed girls	Now your mortgages and homes
You make the rockin' world go round	I got stiffness in the bones
Hey I was just a skinny lad	Ain't no beauty queens in this (7) (I tell
Never knew no (1) from bad	you)
But I knew life before I left my nursery	Oh but I still get my pleasure
Left alone with big fat Fanny	Still got my greatest treasure
She was (2) a naughty nanny	Heap big woman you gonna make a big man out of me
Heap big woman you (3) a bad boy out of me	Now get this
Hey hey!	Oh you gonna take me home (8) (please)
I've been singing with my band	Oh down beside your red firelight
Across the wire across the land	Oh you gonna let it all hang out
I seen ev'ry (4) eyed floozy on the way	Fat bottomed girls you make the rockin' world go round
But their beauty and their style	Fat (9) girls you make the rockin' world
Went kind of smooth after a while	go round
Take me to them dirty ladies every time	Get on your bikes and ride
Oh won't you take me home tonight?	Oooh yeah them fat bottomed girls
Oh (5) beside your red firelight	Fat bottomed girls
Oh and you give it all you got	Yeah yeah
Fat bottomed girls you make the rockin' world go round	Fat bottomed girls
