

Kim's the first girl I kissed

Fill in the gaps

Look at this photograph	I was so nervous that I (5) missed
Everytime I do it makes me laugh	She's had a couple of kids since then
How did our eyes get so red	I haven't seen her since god knows when
And what the hell is on Joey's head	Oh, oh, oh
And this is where I grew up	Oh, god, I
think the present owner fixed it up	Every memory of looking out the back door
never knew we'd ever went without	I had the (6) album spread out on my bedroom
The second (1) is hard for sneaking out	floor
And this is where I went to school	It's hard to say it, time to say it
Most of the time had better things to do	Goodbye, goodbye.
Criminal record says I broke in twice	Every memory of walking out the front door
must have done it half a dozen times	I found the photo of the friend that I was looking for
wonder if it's too late	It's hard to say it, time to say it
Should i go back and try to graduate	Goodbye, goodbye.
ife's better now than it was back then	I miss that town
f I was them I wouldn't let me in	I miss the faces
Dh, oh, oh	You can't erase
Dh, god, I	You can't (7) it
Every memory of looking out the back door	I miss it now
had the photo album spread out on my bedroom floor	I can't believe it
t's hard to say it, time to say it	So (8) to stay
Goodbye, goodbye.	Too hard to (9) it
Every memory of walking out the front door	If I could I relive those days
found the photo of the friend that I was (2)	I know the one thing that would never change
or	Every memory of looking out the back door
t's hard to say it, time to say it	I had the photo album spread out on my bedroom floor
Goodbye, goodbye.	It's hard to say it, time to say it
Remember the old arcade	Goodbye, goodbye.
Blew every dollar that we ever made	Every memory of walking out the front door
The cops hated us hangin' out	I found the photo of the friend that I was looking for
They say somebody went and burned it down	It's hard to say it, (10) to say it
We used to listen to the radio	Goodbye, goodbye.
And (3) along with every song we know	Look at this photograph
We said someday we'd find out how it feels	Everytime I do it makes me laugh
To sing to (4) than just the steering wheel	Everytime I do it makes me

- 1. floor
- 2. looking
- 3. sing
- 4. more
- 5. nearly
- 6. photo
- 7. replace
- 8. hard
- 9. leave
- 10. time
