Look at this photograph	I was so nervous that I nearly missed
Everytime I do it makes me laugh	She's had a couple of kids since then
How did our eyes get so red	I haven't seen her since god (13) when
And what the hell is on Joey's head	Oh, oh, oh
And this is where I grew up	Oh, god, I
I think the present (1) fixed it up	Every memory of looking out the back door
I never knew we'd ever went without	I had the photo album spread out on my bedroom floor
The second floor is hard for sneaking out	It's hard to say it, time to say it
And this is (2) I went to school	Goodbye, goodbye.
Most of the time had better things to do	Every memory of (14) out the front door
Criminal record says I broke in twice	I (15) the photo of the (16) that
I (3) have (4) it half a dozen times	was looking for
I (5) if it's too late	It's hard to say it, (17) to say it
Should i go back and try to graduate	Goodbye, goodbye.
Life's better now than it was back then	I miss (18) town
If I was them I wouldn't let me in	I (19) the faces
Oh, oh, oh	You can't erase
Oh, god, I	You can't replace it
Every memory of looking out the back door	I (20) it now
I had the photo album spread out on my (6)	I can't believe it
floor	So hard to stay
It's hard to say it, time to say it	Too hard to leave it
Goodbye, goodbye.	If I could I relive those days
Every (7) of walking out the front door	I (21) the one (22) that would neve
I found the photo of the friend that I was looking for	change
It's hard to say it, (8) to say it	Every memory of looking out the (23) door
Goodbye, goodbye.	I had the (24) album spread out on my bedroom
Remember the old arcade	floor
Blew every dollar that we ever made	It's hard to say it, time to say it
The cops (9) us hangin' out	Goodbye, goodbye.
They say somebody went and (10) it down	Every memory of walking out the front door
We used to listen to the radio	I (25) the photo of the friend that I was looking
And sing along with every song we know	for
We said (11) we'd find out how it feels	It's hard to say it, time to say it
To sing to (12) than just the steering wheel	Goodbye, goodbye.
Kim's the first girl I kissed	Look at this photograph
	Everytime I do it (26) me laugh

Everytime I do it makes me...
