

Kim's the first girl I kissed

## Fill in the gaps

Look at this photograph	I was so nervous that I nearly missed
Everytime I do it makes me laugh	She's had a couple of kids since then
How did our eyes get so red	I haven't seen her since god knows when
And what the hell is on Joey's head	Oh, oh, oh
And this is where I grew up	Oh, god, I
I think the present owner fixed it up	Every (9) of looking out the back door
I never knew we'd ever (1) without	I had the photo album spread out on my bedroom floor
The second floor is hard for sneaking out	It's hard to say it, time to say it
And this is where I went to school	Goodbye, goodbye.
Most of the time had better things to do	Every memory of walking out the front door
Criminal record says I (2) in twice	I found the photo of the friend that I was looking for
I must (3) done it half a dozen times	It's hard to say it, time to say it
I (4) if it's too late	Goodbye, goodbye.
Should i go back and try to graduate	I miss that town
Life's better now than it was back then	I miss the faces
If I was them I wouldn't let me in	You can't erase
Oh, oh, oh	You can't replace it
Oh, god, I	I miss it now
Every memory of looking out the back door	I can't believe it
I had the photo album spread out on my bedroom floor	So hard to stay
It's hard to say it, time to say it	Too hard to leave it
Goodbye, goodbye.	If I could I relive those days
Every memory of walking out the front door	I know the one thing that would never change
I found the photo of the friend that I was looking for	Every memory of looking out the back door
It's hard to say it, time to say it	I had the photo album spread out on my bedroom floor
Goodbye, goodbye.	It's hard to say it, time to say it
Remember the old arcade	Goodbye, goodbye.
Blew every (5) that we ever made	Every memory of walking out the front door
The cops hated us hangin' out	I found the photo of the friend (10) I was looking for
They say somebody went and burned it down	It's hard to say it, time to say it
We used to listen to the radio	Goodbye, goodbye.
And sing (6) with (7) song we	Look at this photograph
know	Everytime I do it makes me laugh
We said (8) we'd find out how it feels	Everytime I do it makes me
To sing to more than just the steering wheel	

- 1. went
- 2. broke
- 3. have
- 4. wonder
- 5. dollar
- 6. along
- 7. every
- 8. someday
- 9. memory
- 10. that
