The Start Of Something Good by Daughtry

You never know when you're (1) meet someone	I know that it's gonna take sometime
And your whole (2) world in a (3)	I've got to admit that the thought has crossed my mind
comes undone	This might end up like it should
You're just walking (4) and suddenly	And I'm gonna say what I need to say
Everything (5) you thought that you knew about	And hope to god (14) it don't scare you away
love is gone	Don't wanna be misunderstood
You find out it's all been wrong	But I'm starting to believe (15) this could be the
And all my scars don't (6) to matter anymore	start
Cause they led me here to you	Cause I don't know where it's going
I know (7) its gonna take sometime	There's a part of me that loves not (16)
I've got to admit that the thought has crossed my mind	Just don't let it end (17) we begin
This might end up (8) it should	You never know when you gonna meet someone
And I'm gonna say what I need to say	And your whole wide world in a moment (18)
And hope to god (9) it don't scare you away	undone
Don't wanna be misunderstood	I (19) that its (20) take sometime
But I'm starting to believe that this could be the start of	I've got to admit (21) the (22)
(10) good	has (23) my mind
Everyone knows life has its Ups and downs	This might end up like it should
One day you're on top of the world and one day you're the	And I'm (24) say what I need to say
clown	And hope to god that it don't scare you away
Well I've been (11) to know	Don't wanna be misunderstood
That you don't wanna get in the way when its working out	But I'm starting to (25) that this could be
The way (13) it is right now	the (26) of something good
You see my heart i wear it on my sleeve	
Cause I just can't hide it anymore	

1. gonna
