

## Fill in the gaps

### The Start Of Something Good by Daughtry

You never know (1)\_\_\_\_\_ you're gonna meet someone  
And your (2)\_\_\_\_\_ wide (3)\_\_\_\_\_ in a moment  
comes undone  
You're just walking around and (4)\_\_\_\_\_  
Everything that you thought that you knew about love is gone  
You find out it's all been wrong  
And all my scars don't seem to matter anymore  
Cause they led me here to you  
I know that its gonna take sometime  
I've got to admit that the thought has crossed my mind  
This might end up like it should  
And I'm gonna say what I need to say  
And (5)\_\_\_\_\_ to god that it don't scare you away  
Don't wanna be misunderstood  
But I'm starting to believe that this could be the start of  
something good  
Everyone (6)\_\_\_\_\_ life has its Ups and downs  
One day you're on top of the world and one day you're the  
clown  
Well I've (7)\_\_\_\_\_ both enough to know  
That you don't wanna get in the way when its working out  
The way that it is (8)\_\_\_\_\_ now  
You see my heart i wear it on my sleeve  
Cause I just can't hide it anymore

I know that it's gonna take sometime  
I've got to admit that the thought has crossed my mind  
This might end up like it should  
And I'm gonna say what I need to say  
And hope to god that it don't scare you away  
Don't wanna be misunderstood  
But I'm starting to believe that this (9)\_\_\_\_\_ be the  
start  
Cause I don't know where it's going  
There's a part of me that loves not knowing  
Just don't let it end before we begin  
You never know when you gonna meet someone  
And your whole wide world in a moment comes undone  
I know that its gonna take sometime  
I've got to admit that the thought has crossed my mind  
This might end up like it should  
And I'm gonna say what I need to say  
And hope to god that it don't scare you away  
Don't wanna be misunderstood  
But I'm starting to believe that this could be the start of  
something good

Answer

1. when
2. whole
3. world
4. suddenly
5. hope
6. knows
7. been
8. right
9. could
