## Feels Just Like It Should by Jamiroquai

I'm coming down to see ya	Feels (5) like it should
I'm (1) for fast and cheap	Feels just (6) it should
I'm looking for the city streets	Feels just like it should
I'm gonna get experience	Feels just like it should
I've been to see the candy man	Feels (7) like it should (I'm looking for the city
Just turn it up and drown	streets)
He said	Feels just like it should (gonna get experience)
Feels just like it should	Feels just like it should (I'm here to see the candy man)
Feels just (2) it should	Feels (8) like it should
Feels just like it should (I'm gonna get experience)	Sugar spice
Feels just like it should (turn it up and drown)	I'm on the phone
I'm going out wirth laser beams	It feels good i need a little sexfunk right now
To shoot some cherries down	I want you, I wanna lick you up and down
I took a (3) free agent	It feels good, you (9) it would feel that good and it
I've got myself a five mile smile	does
So take me for the first time	Feels just like it should
I (4) a little sugar spice	Feels just (10) it should

I'm gonna find a lover	Feels just like it should
