Always by Bon Jovi

This romeo is bleeding

But you cant see his blood

Its nothing but some feelings

That this old dog kicked up

Its (1)_____ raining since you left me

Now Im drowning in the flood

You see Ive always been a fighter

But without you I give up

Now I cant sing a (2)_____ song

Like the way its meant to be

Well, I guess Im not that good anymore

But baby, thats just me

And I will love you, baby - always

And Ill be there forever and a day - always

Ill be there till the stars dont shine

Till the heavens burst and

The words dont rhyme

And I know when I die, youll be on my mind

And Ill love you - always

Now your pictures that you left behind

Are just memories of a different life

Some that made us laugh, some (3)_____ made us cry

One that (4)_____ you have to say goodbye

What Id give to run my fingers through your hair

To (5)_____ your lips, to hold you near

When you say your prayers try to understand

Ive made mistakes, Im just a man

When he holds you close, when he pulls you near

When he says the words (6)_____ been needing to hear

Ill wish I was him cause those words are mine

To say to you (7)_____ the end of time

Yeah, I will love you baby - always

And Ill be there forever and a day - always

If you told me to cry for you

I could

If you told me to die for you

I would

Take a look at my face

Theres no price I wont pay

To say these words to you

Well, (8)_____ (9)_____ no luck

In these loaded dice

But baby if you give me just one more try

We can pack up our old dreams

And our old lives

Well find a place where the sun still shines

And I will love you, baby - always

And Ill be there forever and a day - always

Ill be there till the stars dont shine

Till the heavens burst and

The words dont rhyme

And I know when I die, youll be on my mind

And Ill love you - always
