

Fill in the gaps

One And The Same (with Selena Gomez) by Demi Lovato

Hey Hey!	We (13) the same song in a
La la la la la	(14) key
Hey Hey!	It's got a rythym you and me
La la la la la	Can get along
You (1) from here	And it may seem cliche for me
I come (2) there	To want to say (15) your not alone
You rock out in (3) room,	Here I go again
I rock a world premiere.	And you can call me uncool but its a (16) fact
We're (4) (5) than	I (17) got your back!
Anybody could ever tell	Cuz we're one in the same
Ever tell	We're anything but ordinary
Sometimes we rule,	One in the same
Sometimes we can't even speak.	I (18) (19) almost legendary
But we kick it off,	You and me
Let loose, and LOL	The perfect team
LOL	Chasing (20) the dream
It may (6) you're ashamed	We're one in the same!
But i (7) say that you're not alone	Yeah Yeah
And you can (8) me, uncool	Cause we're one and the same.
But its a simple fact	We're anything but ordinary
l've got (9) back	One and the (21)
Yeah yeah yeah!	We're something more (22) momentarily
Cuz we're one in the same	Cause we're one
We're anything but ordinary	Cause we're one
One in the same	We're anything but ordinary
I think we're almost legendary	You and me the prefect team
You and me	Chasing (23) the dream
The perfect team	Oh
Chasing (10) the dream	You and me the (24) team
We're one in the same!	shaking up the scene
Hey Hey!	We're one and the same!
La La La La	Hey Hey!
l'm kinda (11) you,	La La La La
You're kinda (12) me	Hev Hev Hev!
