## Here Without You by Three Doors Down

A hundred (1) have made me older	But you're still on my lonely mind
Since the last time that I saw (2) pretty face	I think about you baby
A thousand (3) (4) made me colder	And I dream about you all the time
And I don't (5) I can (6) at this the	I'm here without you baby
same	But you're still with me in my dreams
But all the miles that separate	And tonight girl it's only you and me
Disappear now when I'm dreaming of your face	Everything I know and anywhere I go
I'm here (7) you baby	It gets hard but it won't take away my love
But you're still on my (8) mind	And when the last one falls, when it's all said and done
I think about you baby	It gets hard but it won't take away my love, whoa
And I dream about you all the time	I'm here without you baby
I'm (9) without you baby	But you're still on my lonely mind
But you're still with me in my dreams	I think about you baby
And tonight it's only you and me, yeah	And I dream about you all the time
The miles just keep rollin'	I'm here without you baby
As the people leave their way to say hello	But you're still with me in my dreams
I've heard this life is overrated	And tonight girl it's only you and me, yeah oh yeah oh
But I hope that it gets better as we go, oh yeah yeah	
I'm (10) without you baby
