## Here Without You by Three Doors Down

A hundred (1) (2) made me older	But you're still on my lonely mind
Since the (3) time that I saw your pretty face	I think about you baby
A thousand lies have made me colder	And I dream about you all the time
And I don't think I can look at this the same	I'm here without you baby
But all the miles that separate	But you're still with me in my dreams
Disappear now when I'm (4) of your face	And tonight girl it's only you and me
I'm here without you baby	Everything I know and anywhere I go
But you're still on my (5) mind	It (9) hard but it won't take away my love
I think about you baby	And when the last one falls, when it's all said and done
And I dream about you all the time	It gets hard but it won't take away my love, whoa
I'm here without you baby	I'm here without you baby
But you're still with me in my dreams	But you're still on my lonely mind
And tonight it's only you and me, yeah	I (10) about you baby
The miles (6) keep rollin'	And I dream about you all the time
As the people leave their way to say hello	I'm here without you baby
I've (7) this life is overrated	But you're still with me in my dreams
But I (8) that it gets better as we go, oh yeah yeah	And tonight girl it's only you and me, yeah oh yeah oh
I'm here without you baby
