

Fill in the gaps

How can I decide what's (1) when you're	when I (6) to know you so well
clouding up my mind	But how did we get here
I can't win your losing fight all the time	I think I know
How can I ever own what's mine when you're always taking	Do you see what we've done
sides	We're gonna make such fools of ourselves
But you won't (2) away my pride, no not this time	Do you see what we've done
Not this time	We're gonna (7) such fools of ourselves
How did we get here	How did we get here
When I used to know you so well	when I (8) to know you so well
But how did we get here	But how did we get here
I think I know	I think I know
The truth is hiding in your eyes and its hanging on your tongue	There is something I see in you
Just (3) in my blood but you think that I	It might kill me
(4) see	I (9) it to be true
What kind of man that you are, if you're a man at all	
Well I will figure this one out on my own	
I'm screaming I love you so	
My thoughts you (5) decode	
How did we get here
