

Fill in the gaps

vve ii do it ali	Let's waste time
Everything	Chasing cars
On our own	Around our heads
We don't need	If I lay here
Anything	If I just lay here
Or anyone	Would you lie with me and just (3) the world?
If I lay here	Forget what we're told
If I just lay here	Before we get too old
Would you lie with me and just forget the world?	Show me a garden that's bursting (4) life
I don't quite know	All (5) I am
How to say	All that I ever was
How I feel	Is here in your perfect eyes, they're all I can see
Those (1) words	I don't know where
Are (2) too much	Confused about how as well
They're not enough	Just know that these (6) (7) never
If I lay here	(8) for us at all
If I just lay here	If I lay here
Would you lie with me and just forget the world?	If I (9) lay here
Forget what we're told	Would you lie with me and just forget the world?
Before we get too old	
Show me a garden that's bursting into life
