

## Fill in the gaps

### 7 Things by Miley Cyrus

Sha, Sha, Sha  
I probably shouldn't say this  
But at times I get so scared  
When I think about the previous  
Relationship we shared  
It was awesome, but we lost it  
It's not (1)\_\_\_\_\_ for me not to care  
And now we're (2)\_\_\_\_\_ in the rain  
But nothing's ever gonna change (3)\_\_\_\_\_ you hear  
My dear  
The seven (4)\_\_\_\_\_ I hate about you (x2)  
Oh, you  
You're vain  
Your games  
You're insecure  
You love me, you like her  
You made me laugh, you made me cry, I don't know  
(5)\_\_\_\_\_ side to buy  
Your friends, they're jerks when you act like them, just know it  
hurts  
I wanna be with the one I know  
And the seventh thing I hate the most that you do  
You make me love you  
It's awkward and silent  
As I wait for you to say  
What I need to hear now  
Your sincere apology  
When you (6)\_\_\_\_\_ it I'll (7)\_\_\_\_\_ it  
If you text it I'll delete it  
Let's be clear  
Oh, I'm not comin' back

You're taking seven steps here  
The seven things I hate about you  
You're vain  
Your games  
You're insecure  
You love me, you like her  
You made me laugh, you made me cry, I don't know which  
side to buy  
Your friends, they're jerks when you act like them, just know it  
hurts  
I wanna be with the one I know  
And the seventh thing I hate the most that you do  
You make me love you  
And compared to all the great things  
That would take too long to write  
I (8)\_\_\_\_\_ should mention  
The (9)\_\_\_\_\_ that I like  
The seven things I like about you  
Your hair  
Your eyes  
Your old Levi's  
When we kiss, I'm hypnotized  
You made me laugh, you made me cry, but I (10)\_\_\_\_\_  
that's both I'll have to buy  
Your hand in mine when we're intertwined, everything's alright  
I wanna be with the one I know  
And the seventh thing I like the most that you do  
You make me love you  
Sha, sha  
You do, oh

## Fill in the gaps

Answer

1. possible
2. standing
3. until
4. things
5. which
6. mean
7. believe
8. probably
9. seven
10. guess
