

## Fill in the gaps

Wake up
When will things be (1) enough for you to see
All that we can be
I'm sick of
Playing games and acting like we (2) care
That we're never there
We pay attention for only seconds
Look at you, look at me
There's never any us
Can't you see, all we can become
We can shine, like the sun
Cause we believe that two stars are brighter than one
C'mon, c'mon, c'mon look at you
C'mon, c'mon, c'mon look at me
Listen the way we (3) is not (4) about you and me
It's the harmony
Just give in
Cause (5) we'll be brighter than just any star
A work of art
We'll make the sky bright
We'll light it you and I
We'll light it you and I  Look at you, look at me
Look at you, look at me
Look at you, look at me There's never any us
Look at you, look at me There's never any us Can't you see, all we can become
Look at you, look at me There's never any us Can't you see, all we can become We can shine, like the sun
